

CRYSTAL MINES I

Buried Worlds. Explosive Enemies. And the Clock Is Melting.

Take control of high-tech mining robots in a race against time and cosmic collapse. The cult classic Crystal Mines returns—and joining it, an all-new sequel:

CRYSTAL MINES: SUPERNOVA

Blast, dig, and strategize your way through explosive chain reactions

>> SYSTEM ALERT: CORE DISTABILIZATION IMMINENT

Can you dig your way out before the stars go dark?

RYCEL

Good luck on Terra! You'll have 2 robots to mine with. Travel to the exits to proceed. If a robot dies, rescue its battery to revive it.
